SKILLS

React Native, Java, Kotlin, ReactJS, NextJS, Mysql, MongoDB, NodeJS, Express, Git, JavaScript, C++, DSA, Python,

PROJECTS

Uber Eats Clone

- Designed and developed a cross-platform food delivery application with features like real-time order tracking, restaurant browsing, cart and checkout functionality, and Firebase integration for backend data management..
- Tech Stack:- React Native, Js, Android, Ios
- Link: [uber-eats-clone](#)

WhatsApp Clone

- Built a real-time messaging app with one-on-one and group chats, message history, and cross-platform support. Included features like chat persistence, efficient data fetching, and responsive UI.
- Tech Stack :- React Native, Node.js, GraphQL, Apollo, Express, Js, SQLite, Android, Ios
- Link: [whatsapp-clone](#)

E-Commerce App

- Developed an Android-based e-commerce application with product browsing, cart functionality, and secure checkout using a custom e-wallet system integrated with Firebase for real-time data handling.
- Tech Stack:- Java, Firebase, Android
- Link: [e-commerce-app](#)

TrueCaller Clone

- Built a caller identification app with real-time contact lookup, server-client communication, background sync, and custom response handling for incoming calls.
- Tech Stack:- Java, MySQL, XAMPP, Android
- Link: [trueCaller-clone](#)

Travel App

- Designed a responsive and visually engaging travel application interface with stacked layouts, image overlays, and position-based animations for a smooth user experience.
- Tech Stack:- Flutter, Dart, Android, Ios
- Link: [travel-app](#)

EXPERIENCE

Harman — C++ Data Structure Intern

May 2024 - July 2024

- Debugged, tested, documented code and developed efficient algorithms for sorting, searching and pathfinding while working on real-world projects.
- Tech Stack: C++, DSA

Soul Ai, India — Freelancer

Apr 2025 - present

- Analyzed, reviewed, and fine-tuned AI responses to ensure optimized, reliable outputs for clients..
- Tech Stack: Gemini, ChatGPT

National Cadet Corps (Cadet)

- Developed leadership skills and gained discipline through participation in military training camps.

[Leetcode](#):- 450+ Streak, 380 DSA Questions, 16 Badges

[Geeksforgeeks](#):- 450+ Streak, Global Rank- 81 , 400+DSA Questions

[Codechef](#):- 450+ Streak, 220+ DSA Questions

[Hackerank](#):- 350+ Streak, 5+ Contest winner

EDUCATION

Bachelor Of Technology (BTech), Computer Science & Engineering,

Lovely Professional University , Jalandhar

Aug 2023 - July 2027

8.72 CGPA

Senior Secondary (Class XII),

Kendriya Vidyalaya No.1, Chandimandir Cantt, Panchkula

April 2021 - April 2022

98%

ACHIEVEMENTS

Bi-Wizard GeeksforGeeks (Jan-Apr 2021)

- 3 times top 25 rank in all india competition

Microsoft Achievers Quiz (April 2024)

- secured 4th position in the technical quiz

Blind coding challenge (Apr 2024)

- 2nd runner-up of the coding competition
